

Child Care Public Hearing

You are invited to participate in a Public Hearing for Washington State's Child Care Development Fund (CCDF) Plan for October 2005 through September 2007.

Public hearings are being held to formally present our state's plan and to accept public comment. The Child Care Development Fund (CCDF) is one of our state's major federal funding sources for child care subsidies to low-income families, and for projects to improve the quality of child care. The CCDF Plan describes how our state will spend our federal child care dollars.
